

# It's All About Z Music

Hosted by Terry and Wanda Seay - Franklin, TN

Living Room Round - A Private Songwriter Event

**Saturday October 6, 2012**

## **A COWGIRL, A DIVA and A SHAMLESS HUSSY**

This sassy, sexy trio of performing songwriters will make you laugh, cry, and kick up your country-rockin' heels with their winning combination of humor and original country, jazz, blues, and pop songs.

**GREG POPE** - Excelling at piano at the age of 8, and guitar at 11, Greg Pope's drive to understand and master a variety of music - from rock to pop to country - help to shape his unique voice and sound. Writing with names like Dierks Bentley, Don Pfrimmer and Kyle Cook of Matchbox Twenty, Greg's skills grew and his resolve intensified. Taking inspiration from country artists like George Strait and Kenny Chesney as well as rock legends like U2 and Journey, he molded those influences into a sound all his own.

**Special Guest**  
**Greg Pope**

**TORY BAILEY** and his Band will also be featured during our October 6<sup>th</sup> House Concert. Tory has devoted the better part of 20 years to honing his craft. He has been in the company of several legendary performers such as Waylon Jennings, Vince Gill, and Dwight Yoakam. In addition to live shows, Tory has taken periodic trips into recording studio. Recent years have been some of the most expansive and creative in this emerging artist career. "I have been writing more and more the past couple of years," "I love to explore the possibilities of what hasn't been attempted and to pay homage to the singers and songwriters that have given me the inspiration to do what it is that I do."
